MEMORANDUM FOR: Mr. [redacted] 25X1A9a
Special Assistant to the DD/A

25X1A SUBJECT : CIA Regulation [redacted]

1. At the Director's meeting today with Assistant Directors and comparable Office Heads the Assistant Director for Operations raised the problem of the failure on the part of personnel to comply with subject Regulation and pointed out that there continued to be embarrassing incidents because Agency field offices were not notified that other Agency personnel were in their areas contacting either individuals, institutions, or other Government agencies.

2. The Director suggested that we examine this problem, stating that if our Regulation needed to be revised we have something ready before the field office chiefs' annual meeting which is scheduled to begin on 12 October.

3. The Deputy Director (Intelligence) suggested that the Security Office might issue a special identification card to personnel traveling outside of the Washington area.

25X1A 4. Would you please, in conjunction with the Assistant Director [redacted] and the Director of Security, look into this problem immediately and make specific recommendations to this Office as to whether Regulation [redacted] needs to be revised, and, if so, submit a proposed revision.
